From selected style to your own collection.

Use the catalogue as a starting point, then adapt colour, sizing, logo and retail packaging for your market.

01

Custom Design

Share references, target market and positioning for sample development.

02

Fabric & Colour

Select suitable lace, mesh, stretch fabrics and custom colour options.

03

Logo & Label

Add private-label branding, care labels and packaging requirements.

04

Quality & Export

Confirm specifications, inspection points, packing and shipping plan.

BUILD YOUR NEXT COLLECTION

Tell us which styles you need.

Send the SKU, quantity and target market. Our sales team will confirm wholesale pricing, MOQ, custom options and lead time.
